Sir,

I have the honor to annex a Memo of vouchers and subsidiary statements &c., connected with the accounts of the Tumkur District Treasury from July to November '03, which, notwithstanding the lapse of so long a time and the repeated calls made by this office have not yet been submitted. The Non-receipt of accounts &c., from the Distric Treasury causes great delay in the closing of monthly accounts in this office on due dates. The irregular & incomplete manner in which the District Treasury accounts and Lists of payments are sent to this office have frequently been brought to the notice of the Deputy Commissioner, Treasury Department without any result, I have therefore to request that you will bring the matter to the notice of Government in view to the issue of such stringent instructions as will ensure the timely submission of all the vouchers and returns referred to above and in future from the District Treasury without which this office is unable to compile accounts &c.,

I have the honor to be,

Sir,

Your most obedient servant,

No. 125

Sir

In reply to your memorandum no. 847 dated 15th. February 04 calling for an answer re the delay in the submission to Comptroller of certain returns and vouchers from this office, I have the honor to invite your kind reference to my predecessors letter no 100 dated 11th January 1904 and to state that the circumstances that necessitated the delay in the submission of the returns and vouchers now in question are the same as those represented in that letter and recorded by Government in their Proceedings no Fl. 2158-9 dated 13th February 04.

In this connection I am

state that, while the staff of the Treasury account Department remains the same as it was when first it was constituted, the work that now devolves on each accountant is double or even triple what it was originally. Since great improvements and amplifications have, of late been from time to time effected in the Treasury Accounts, the necessity for strengthening the staff of the Treasury account Department has been frequently brought to the notice of all the Deputy Commissioners but unfortunately nothing has been done. There are only six accountants on the staff. Not only are there officials responsible for the correct preparation and punctual submission of the accounts which are as laborious as they are numerous, but they are also required to maintain Registers of References & keep records. A great deal of time is lost for want of a Duftchi. To do all this and yet submit the returns

punctually even with old hands is sometimes very trying. But to do this with new hands of not even a these recently promoted & submit, almost up-hill work sent to the Treasury (or ms narrative) For these reasons the pub- of the accounts and Vouchers in question were delayed, but most of them have since been despatched to the Comptroller and the sub- -mission of the few still due will be expedited

23/7/04.

A list of the few Statements and Vouchers still due from this Office is appended herewith and most of these are withheld on account of the want of punctuality on the part of the Talung authorities

This report of the Railway Officials is somewhat inconsistent with that of the Traffic Manager. The latter would appear to have done his work in a thorough manner and endeavoured to ascertain the reasons for the delay. The Railway Officials, on the other hand, have not done their work properly, and could have no time to make any thorough enquiry into the matter.
